INTRODUCTION

As a pioneer in the Northern region, the **School of Accounting and Finance** of Kompas International College (KIC) is well-known as a top-notch education provider in accounting discipline. The School of Accounting and Finance offers a range of high-quality academic programmes to produce graduates with high aspiration to enter accounting and financial management professions with the right knowledge, skills, and confidence. With guidance from our experienced academicians with expertise in industries and teaching, our students possess the privilege to learn from the best. Throughout the years, our numerous international awards have garnered reputation and recognition in the global arena. We strive to ensure that we address the contemporary needs and demands of the respective industries.

Our **STRENGTH** is your **SUCCESS**

UNIQUE SELLING POINT

SCHOLARSHIPS & FINANCIAL AIDS

Scholarships are available to deserving students, whereas underprivileged students are provided with financial assistance at Kompas International College. Hence, KIC ensures that your education needs are well taken care of.

TEACHING & LEARNING MATERIALS

Lecturers will provide notes and practices to prepare students for examination and progression. For specific courses, students will be provided with original textbook from approved content provider where online support is also available.

INTERNATIONAL AWARDS

Our programmes are renowned for their achievements and recognition. Throughout the past years, we have received World Gold Awards and Country Gold Awards from Pearson London Chamber of Commerce and Industry to celebrate the outstanding achievements of scholars world-wide. We are also recognized as the Gold Approved Learning Partner for ACCA.

PROFESSIONAL SKILL TRAINING

In the School of Accounting and Finance, we emphasize on professional-skill training and strongly encourage our students to participate in these activities. We collaborate with several professional bodies to conduct trainings such as computerized accounting and taxation. On top of that, we also conduct seminars and webinars in accounting, business, and finance. We aim to provide our students with vast training exposure.

DEDICATED, QUALIFIED & EXPERIENCED LECTURERS

All our lecturers are highly qualified, with mixed skills and expertise across various disciplines that suit the needs and requirements of the various fields. Their passion, dedication, and commitment to teaching have produced excellent graduates throughout the years.

CAREER GUIDANCE & JOB PLACEMENT SERVICES

Our Career Guidance Specialist offers a range of activities to guide students in determining the ideal career pathways to excel at. Furthermore, our wide array of Industrial Partners certainly opens the door to greater opportunities to secure new job placements through activities such as forums, focus groups, seminars, visits, and workshops.

CONDUCTIVE & SAFE LEARNING ENVIRONMENT

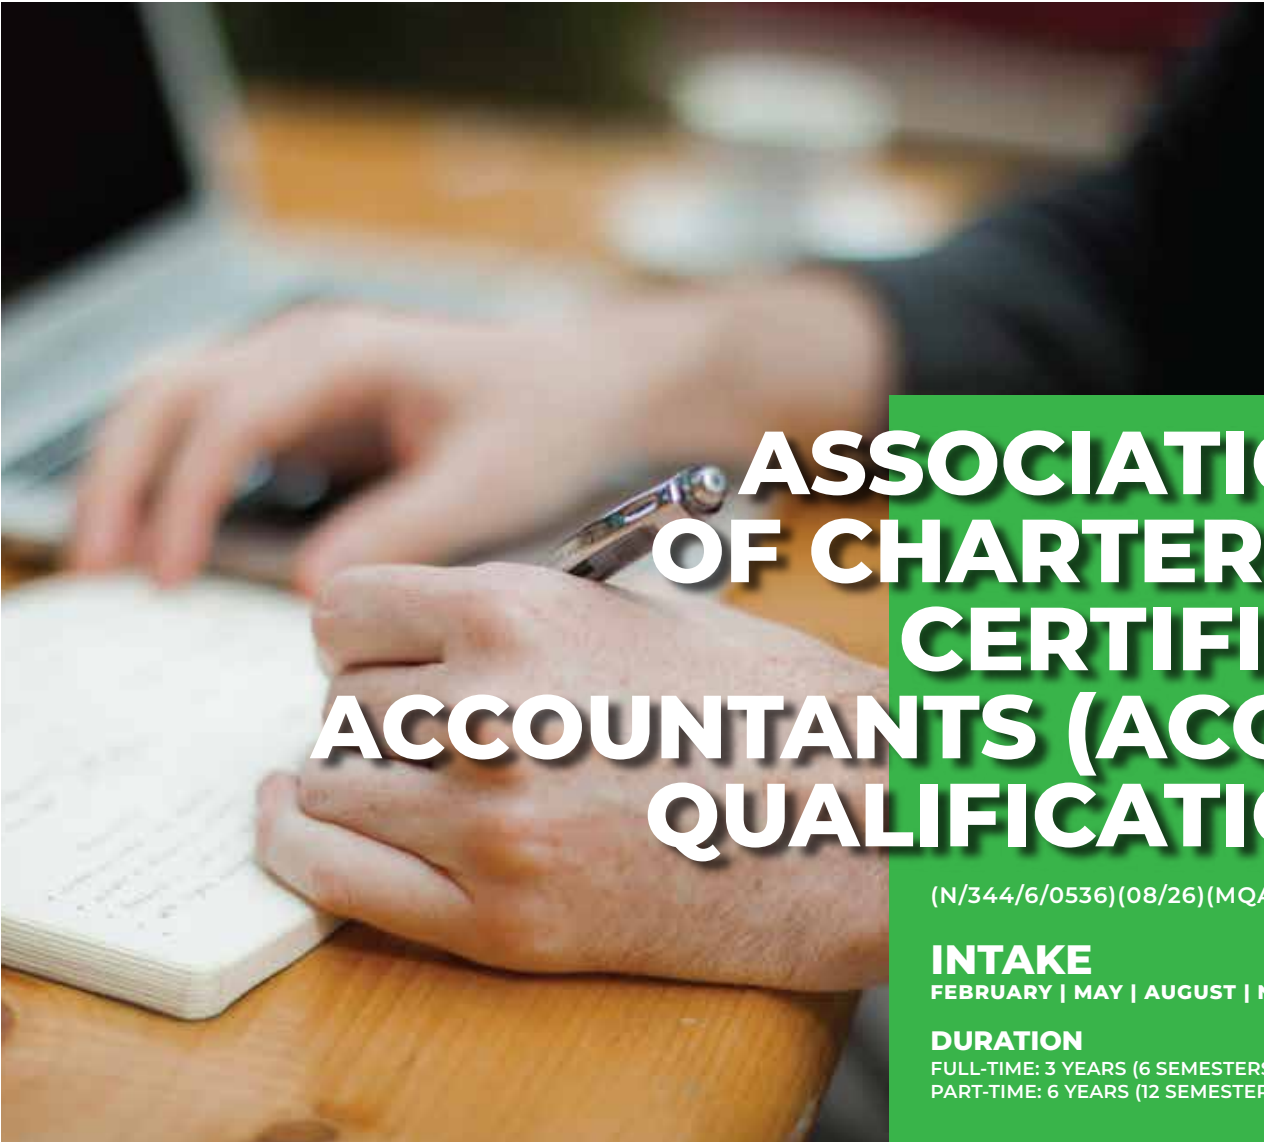

It is our utmost priority to provide a safe and conducive learning environment for our students. From our spacious library, which houses thousands of academic and research materials, to our comfortable student lounge and leisure areas, students will be spoilt for options when they pursue their studies here.

HIGH DEMANDS FOR SKILLS & KNOWLEDGE

Every job requires a combination of workplace skills and technical skills, and chances are that you have already built an impressive skill set from your education. By acquiring in-depth skills and knowledge, our graduates are highly in demand in the current market trend.

INTERNATIONAL RECOGNITION

FIA and ACCA qualifications are internationally recognized by professional members all over the world. ACCA is recognized by the Accountants Act 1967 and has 247,000 members across 181 countries.

What's inside

SETS US APART.

TEACHING AND LEARNING

In KIC, we provide a holistic teaching and learning environment to meet the needs and requirements of students through theoretical and practical experience. State-of-the-art facilities such as smart classrooms, accounting and IT incubators, laboratories, etc. enhance students' experiences inside and outside of the classroom.

In addition, students are given various opportunities to attend webinars, conferences, workshops, etc. to give them the exposure that they need in a real-life workplace setting.

What's inside

SETS US APART.

SOFT SKILLS DEVELOPMENT

SELF ENRICHMENT PROGRAM

This tailor-made programme is managed by our Students, Experiences and Lifestyle Department (SEL). This programme is established to groom our students in stages. The rationale of this programme is to produce professional, fresh graduates who are ready for job placement.

In addition, SEL is managing student development programmes, which include soft skills development programmes, i.e., communication skills, IT and software development skills, leadership, critical thinking, entrepreneurship, team building, and others.

What's inside

SETS US APART.

SOCIAL ACTIVITIES & SPORTS

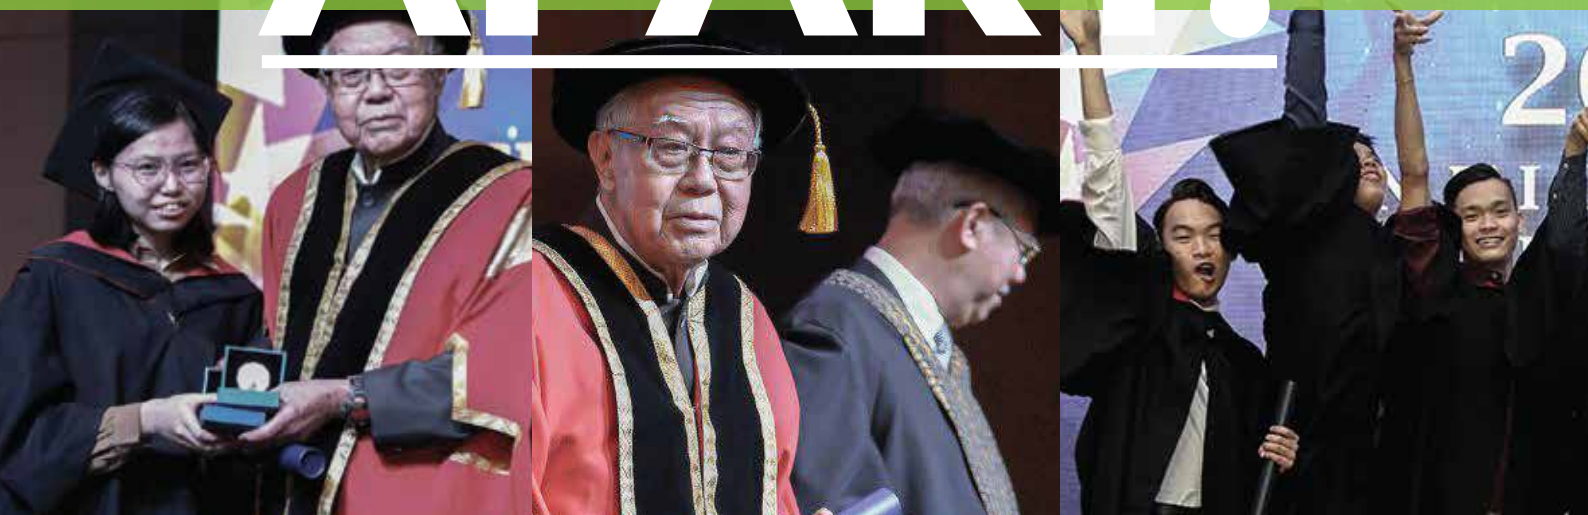

In KIC, we encourage our students to live a healthy and active lifestyle. Therefore, we have a number of sports and activities selection for our students to participate i.e. basketball, badminton and table tennis. Apart from that, students are also able to participate in community engagement events and outdoor events conducted by the College.

We have launched various platforms for our students to enhance their communication and English proficiencies.
